To Whom It May Concern,

RE: Bessemer Public Art Grant Application

The Bessemer Downtown Development Association whole-heartedly supports the proposed Bessemer painting. The Grant would allow the community to bring to fruition our efforts to begin to revitalize our community.

The city was a booming mining community with downhill skiing as a tourist industry. The years have brought a close to the mining and a major decline in residents. We are just beginning to rebuild and our efforts to energize our citizens with this project is monumental. As you know "art power" can promote economic growth and vitality

It is our sincere hope that this project is funded so we can continue to build on the city's economic revitalization efforts.

Sincerely,

Jennifer Adams, City Manager
