This letter is to affirm that I, Andrew Niedzinski, City Manager of the City of Vassar, authorize the Spring 2023 *MML Foundation Bridge Builders Micro Grant* request. More specifically, the grant to support the creation and installation of the WELCOME TO VASSAR mural downtown. This is a wonderful opportunity for our downtown and visitors alike. The building selected for the mural is front and center in the downtown-a perfect spot to offer salutations.

Should the City of Vassar be chosen to receive grant funding, Andrea McArthur will serve as the program administrator.

If you have any questions, please do not hesitate to contact me. Thank you for considering the City of Vassar's application to continue to bring these cherished events to our community.

Best Regards,
