Mr. Gilmartin,

We are very pleased to submit our application for the Main Street Microgrant Program in request of \$5,000 for a community arts project.

Colors of Wyandotte will be a very fun and exciting effort on behalf of so many talented and wonderful people in our community. The coloring book will help engage people of all ages and will showcase Wyandotte's rich community history in a very unique way.

Wyandotte remains committed to arts and culture programming throughout our City and we have a demonstrated track record of building and sustaining unique community arts programs that our citizens dearly appreciate. We are very supportive of the DDA and the business community and all of our local stakeholders as they embark on this effort and we will remain supportive in offering assistance where we can to make the project a reality.

Please contact my office with any questions,

Robert DeSana
Mayor
