Hello, My name is Sue Ley,
I have lived in Farwell all my life. I have seen our community loose so many storefronts. I have seen historical buildings come down. Sad to see, I have been so into opening a store to get the town back to how it was .Refresh the face of Farwell. GIVE PEOPLE A REASON TO VISIT OUR VILLAGE FOR A REASON. We have a mountain that we have bands and things at, that attract alot of people, rails to trails for the bikers, runners or just people to come in And browse. Thats the reason why this grant would help sooo much. Help bring our town back please
Thank you in advance

Sue Ley
