To Whom It May Concern:

On behalf of the City of Montrose, I am pleased to offer this letter of support for the City of Montrose Downtown Development Authority Main Street Microgrant application "Montrose Planter Paint Project."

If funded this project would add functional community artwork to our downtown and replace the aging plain downtown planters.

Considering the project's scope and how it directly aligns with the City's Master Plan initiatives of building of a walkable community and supporting the redevelopment of the downtown I offer my full support for this project. In addition, this project would facilitate in the building of community space which is needed in the Montrose Downtown.

I trust that you will look favorably on this grant request and look forward in to bringing the community together for a project such as this. Thank you for your consideration.

Sincerely,
