To Whom It May Concern:

The City of Monroe is pleased to present this grant application for your consideration. We are respectfully requesting \$5,000 for the installation of an art mural at Boyd Park at 321 Harrison Street.

We believe this request aligns with the intent of Bridge Builders Main Street Microgrant. The installation of an art mural at Boyd Park would not only provide a beautification opportunity to a park located within a residential downtown area, but also a way to celebrate the diversity and cultural landscape of the community. The City of Monroe has worked with community partners to install these types of murals throughout the community and Boyd Park would be an ideal location to continue the program. If awarded, it is expected the installation of the mural would be completed in the summer of 2023.

We appreciate the opportunity to apply and thank you in advance for your full and fair consideration of our request. Should you need any additional information, please do not hesitate to contact Katelyn McBreaity of my staff at (734) 384-9184 or katelyn.mcbreaity@monroemi.gov.

Sincerely,

Robert E. Clark
Mayor
