Michigan Municipal League

To Whom It May Concern,

I am extending my support for the mural project located at 23838 Van Dyke Ave., Warren, Michigan, 48089. This mural will welcome those driving southbound on Van Dyke into Warren upon leaving Center Line, Michigan, and will serve as an entry point to our Van Dyke Corridor District. We are currently completing a Van Dyke Corridor Plan, which will seek to revitalize the corridor as a destination "main street" in Warren. Warren is committed to creating safe and beautiful environments, and such a mural will convey that to those entering our City. I thank you for the opportunity to fund this project.

Sincerely,

Mayor James R. Fouts
City of Warren

Michigan Municipal League

To Whom It May Concern,

The Tax Increment Finance Authority (TIFA) is extending its support for the mural project located at 23838 Van Dyke Ave, Warren, Michigan 48089. We as a board have worked incredibly hard to invest time and resources into improving the Van Dyke Corridor. This has included efforts in beautification, cleaning, economic development, and events. Our board consists, largely, of business owners in this district. One member, owner of Battery Warehouse at 23838 Van Dyke Ave, has agreed to make the side of his building available for this mural.

This location is perfect as those driving southbound on Van Dyke exiting Center Line, Michigan will be greeted by a mural welcoming them back into Warren. This TIFA Board is committed to the maintenance of this mural and the continued efforts to improve this district. By nature of support from the TIFA Board, you are also receiving support from over five businesses in this district. Thank you for your consideration.

On Behalf of the TIFA Board,

Tom Bommarito, TIFA Director

Ann Arbor, MI 48105

To Whom It May Concern,

I am extending my support for the City of Warren's proposed mural project located at 23838 Van Dyke Ave, Warren, Michigan 48089. The Anton Art Center is excited to help advise on this project as it moves forward, and to bring our extensive experience in public art procurement and management to benefit the City.

I have been in contact with the team in Warren and intend to help advise the project and recommend artists. The Anton Art Center has had a long history of working with the arts in Macomb County and the goal is to foster a relationship with the City of Warren through this project and others into the future. The Michigan Municipal League's support of this project can help Warren build community through the arts. Thank you for your consideration.

Sincerely,

Phil Gilchrist
Executive Director
