Dear Michigan Municipal League Foundation Grant Reviewer:

Re: Village of Marcellus DDA Bridge Builders Neighborhood Grant Application

I am writing to support the Marcellus DDA's Bridge Builders Neighborhood grant application, *I Remember When...*

As the Village Manager/Clerk in Marcellus, I am aware of the challenges that face our community and encourage intergenerational conversation to engage diverse audiences and support redevelopment initiatives. This approachable format gives an opportunity for all our residents to gather, share ideas and collaborate.

I look forward to seeing this project take place in our community and actively support this project to help the Village to build bridges across our community and create a Sense of Place which is tremendously important for our revitalization and redevelopment efforts.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jacqueline A. Terrill', is written over the printed name.

Jacqueline A. Terrill
Marcellus Village Manager/Clerk
