Dear Michigan Municipal League Foundation,

The City of Lansing's Public Service Department supports painting of crosswalks in neighborhoods as a way to bring residents together, allow them to collaborate on a tangible public art project and beautify streets at the same time.

Jill Dombrowski has successfully completed a number of these projects and understands the City's crosswalk painting policies and procedures. The City intersections she has painted have artistic designs and have been well received by neighborhood residents. The Public Service Department supports her Bridge Builders Microgrant program project application and thanks you for considering the project for grant funds.

Sincerely,

A handwritten signature in blue ink, which appears to read "Andrew K. Kilpatrick".
