

To Whom it May Concern:

On behalf of the Village of North Adams Council I am writing to you to show our support for the park project that Mrs. Briner applied for. Our park has been a topic of discussion at several council meetings, and its need to be updated. The cornhole board installation will make a nice addition to the park and will hopefully draw in some new patrons. If you have any questions, feel free to reach out to me: 517-607-1239.

Sincerely,

Rick Beach
